Allergens

Rose Cottage is a nut free café, but please note our bakery products come from our main bakery that uses nuts. Whilst we do our best to reduce the risk of cross-contamination, all our dishes are prepared in kitchens that handle other allergens and are cooked in the same ovens. Therefore, unfortunately we can never 100% guarantee any dish will be free from traces. Please let us know when ordering if a member of your party has a food allergy, so we can take extra care.
